Opis produktu

Backpack GREEN

Document holder backpack made from durable RPET 300D. It features an urban design that incorporates a main pocket with a hidden zipper closure for added protection, with dual pullers. Includes a padded interior for laptops up to 15 inches, additional pockets inside for small items. Its shoulder straps and back are padded and adjustable for added comfort. Offers three transport modes: as a backpack, thanks to the padded shoulder straps; as a document holder, thanks to its carrying handle; and a strap for a trolley. The RPET material is made from recycled plastic, promoting the reuse of plastic waste and helping the planet's sustainability.
