## Opis produktu

### Vacuum Bag BLACK

Cabin-size travel bag with a vacuum compression storage system. Made from PU. Designed to maximise packing space thanks to its dual-compartment interior. Inside, it features a main compartment with a vacuum compression system to optimise storage capacity, alongside a separate storage compartment with a mesh zippered section. An additional pocket provides extra organisation for personal belongings. Includes a 35W electric vacuum pump for quick and effortless compression. Finished with external zippered pockets, carry handles, and an adjustable, detachable shoulder strap with snap hooks. Ideal for travel and commuting thanks to its multiple compartments and practical organisation features.
