Opis produktu

Backpack BLACK

Travel backpack made from PU. Features two spacious main compartments with concealed zip closures and metal pullers. The large-capacity main compartment opens fully to 180°, providing easy access and efficient luggage organisation. Inside, it includes a zipped mesh compartment, ideal for clothing, along with multiple organiser pockets for accessories, documents and personal belongings. It also features a padded laptop compartment for devices up to 15", complete with a secure hook-and-loop fastening strap for added protection.
Storage is further enhanced with two padded front pockets featuring concealed zips, an expandable side pocket for a bottle or other essentials, and four adjustable side compression straps with buckles to keep the contents secure and stable during transport.
The backpack is finished with a padded breathable mesh back panel, adjustable padded shoulder straps and a clip-fastening chest strap for greater comfort and support. It also includes a trolley sleeve and two carry handles—one on the top and one padded side handle—for convenient carrying in different positions. An ideal backpack for travel and everyday use, thoughtfully designed to combine style with functionality.
