Opis produktu

Backpack GREY

Multifunctional backpack made of 300D RPET. Made from recycled and water resistant polyester, with excellent breathability in the back area, facilitating heat dissipation thanks to its padded straps and padded back. The wide shoulder straps are designed to relieve pressure on the shoulders, enabling the backpack to be worn comfortably for long periods of time.Perfect for any situation, and with multiple compartments: 2 front pockets. 3 large central compartments, one of which is a large compartment, a large central pocket for storing clothes and/or accessories with an organiser inside, and a third padded pocket, perfect for carrying a laptop up to 17.3 inches. It also has 3 special compartments, a side pocket perfect for quick access, a shoe pocket on the bottom with ventilation eyelets, and an anti-theft pocket on the back, plus USB cable. Perfect for travel or everyday use with adjustable straps to suit all lifestyles. Available in black and grey, with RPET label included. Presented individually in a recycled bag.
