Opis produktu

Charger BROWN

Wireless charger made of coffee fibre and recycled cotton. Non-slip base and compatible with devices equipped with Qi charging technology. Charging capacity of 15W, with Type C cable included in black color. Coffee fibre and recycled cotton logo. Presented in an attractive kraft design box, with instruction manual in English and Spanish.Coffee fibre is a circular solution that is obtained from the use of the waste produced in the production of coffee. A sustainable alternative that favours the reduction of the use of plastics, saving energy in its manufacturing process and contributing to the care of the environment. GRS (Global Recycled Standard) certification is available, which guarantees the recycled origin of the material used to manufacture the product.
