Opis produktu

Eternal Pencil

Everlasting pencil made of bamboo. Reusable and with infinite writing, so the same pencil is always used and no waste is generated. Including eraser on the top of the pencil.Presented in an individual die-cut case made of recycled cardboard containing a sharpening file. Materials such as bamboo encourage the use of natural raw materials and reduce pollutant emissions. In addition, bamboo comes from a highly resistant and versatile plant, with fast growth and regeneration, making it an excellent alternative to the use of traditional wood.
