Numer katalogowy	**MAK22004-NEG**
Kod producenta	**22004-NEG**
Kod EAN	**22004002000**
Producent	**NEOESP**

Opis produktu

Hacking Protection Cable BLACK

60W charging and data transfer cable with data protection system. Made of recycled aluminium combined with RPET and recycled ABS. Features an integrated security button that allows deactivation of the data transfer function — a practical solution to protect personal and confidential information when using the cable in public spaces, preventing unauthorised access or hacking attempts. Input connections: Type-C and USB; output connections: Type-C and Lightning. Recycled aluminium is a material with almost infinite recycling possibilities, without losing its original properties and consuming less energy in the process. RPET material is made from recycled plastic, encouraging the reuse of plastic waste and contributing to the planets sustainability.

Typ: Hacking Protection Cable | **Materiał:** Recycled Aluminium/ Polyester RPET | Suitable for data transfer. Type C and Lightning Connection PD 60W

Produkt posiada dodatkowe opcje:

Kolor: Black
Brand: Makito
