Opis produktu

Insulated Cup BLUE

Insulated cup made of recycled stainless steel, with double wall and 600 ml capacity. Includes lid with dispenser and easy-opener. It is ideal for your desk, table, or any surface where you can enjoy your favorite drink. With Recycled Stainless Steel logo. Steel is one of the most demanded materials and can be found almost everywhere, from everyday products to large constructions. With countless properties, including durability and a high degree of recyclability, it is a highly valued alternative in sustainable solutions. Properly treated, it allows for the creation of new resources with infinite use.
