Opis produktu

Insulated Cup WHITE

350 ml capacity thermal mug made from Recycled Stainless Steel with double wall. With double wall for better and longer-lasting temperature preservation and ceramic-coated interior, suitable for carbonated beverages. Equipped with a black dosing lid designed to prevent leaks and BPA-free. Featuring a Recycled Stainless Steel emblem.Stainless steel is one of the most demanded materials and can be found almost everywhere, from everyday products to large constructions. With countless properties, including durability and a high degree of reuse, making it a highly valued alternative in sustainability solutions. When properly treated, it allows for the extraction of new resources for infinite use.
