Opis produktu

Insulated Cup WHITE

Insulated mug with 380 ml capacity. Made of durable recycled PP with double wall, combined with a base in recycled stainless steel. Lid with easy-open dispenser, BPA-free. Perfect for your desk, table, or any surface where you can enjoy your favourite drink at ease. With Food Grade certification, ensuring safety when in contact with food. Includes recycled stainless steel emblem. Recycled PP is a recycled and highly recyclable plastic, highly resistant and suitable for multiple applications. Steel is one of the most in-demand materials and can be found almost everywhere, from everyday products to large constructions. With countless properties, particularly durability and its high level of reusability, it has become a highly valued alternative in sustainable solutions. When properly treated, it provides new resources with infinite use.
