Opis produktu

Insulated Jug WHITE

870 ml insulated jug made of recycled stainless steel with double wall, ensuring better and longer-lasting temperature preservation for both hot and cold drinks. Equipped with a hermetic lid featuring a foldable spout for drinking. Ergonomic carrying handle for greater comfort. BPA-free. Includes recycled stainless steel emblem. Steel is one of the most in-demand materials and can be found almost everywhere, from everyday products to large constructions. With countless properties, notably its durability and high level of reusability, it has become a highly valued alternative in sustainable solutions. When properly treated, it provides new resources for infinite use.
