Opis produktu

Insulated Mug LIGHT BLUE

Table-top insulated mug made of recycled stainless steel, with double wall and 600 ml capacity matte color. Includes snap-on lid, easy-open dispenser and rigid handle for convenience. It is ideal for your desk, table, or any surface where you can enjoy your favorite drink. With Recycled Stainless Steel logo. Steel is one of the most sought-after materials and can be found almost everywhere, from everyday products to large buildings. It has countless properties, including durability and a high degree of reusability, making it a highly valued alternative for sustainability solutions. Properly treated, it allows new resources of infinite use to be obtained
