Opis produktu

Insulated Mug WHITE

Insulated cup made of recycled stainless steel, double walled, 600 ml capacity. With dispenser in lid and easy-opener, BPA free. It is ideal for your desk, table, or any surface where you can enjoy your favorite drink. With Recycled Stainless Steel logo. Steel is one of the most sought-after materials and can be found almost everywhere, from everyday products to large constructions. It has countless properties, including durability and a high degree of reusability, making it a highly valued alternative in sustainability solutions. Properly treated, it allows new resources of infinite use to be obtained
