Opis produktu

Kitchen Cutting Board

Kitchen board made of bamboo, including a knife. With one smooth side suitable for different purposes, and other side die-cut , ideal for cutting bread or juicy foods. Including a compartment with a knife inside (saw steel blade and bamboo handle).Materials such as bamboo encourage the use of natural raw materials, reducing pollutant emissions. In addition, bamboo comes from a highly resistant and versatile plant, with rapid growth and regeneration, making of it an excellent alternative to traditional wood.
