Opis produktu

Stylus Touch Ball Pen RED

Pointer pen made of recycled aluminium. Rubberised body finish. Designed with bamboo push button and matching detail on the top, in harmony with the body colour and metal clip. Push-button mechanism. Includes recycled aluminium emblem. Recycled aluminium is a material with almost infinite recycling possibilities, without losing its original properties and consuming less energy in the process. GRS (Global Recycled Standard) certification guarantees the recycled origin of the material used to manufacture the product. Materials such as bamboo encourage the use of natural raw materials while reducing pollutant emissions. In addition, bamboo comes from a highly resistant and versatile plant, with rapid growth and regeneration, making it an excellent alternative to the use of traditional wood.
